

## **PREACHING No.2: PRONOUNCE THE JUDGMENT**

(Preached on Sunday 18 and August 25, 2002 in Locodjro, Abidjan - Ivory Coast / [www.math25v6.org](http://www.math25v6.org))

[Ed: Brother Philip reads Rev.14:6-10 "And I saw [other] angel flying in mid-heaven, having the everlasting glad tidings to announce to those settled on the earth, and to every nation and tribe and tongue and people, saying with a loud voice: Fear God and give him glory, for the hour of his judgment has come; and do homage to him who has made heaven and the earth and the sea and fountains of waters. And another, a second angel, followed, saying: Great Babylon has fallen, has fallen, which of the wine of the fury of her fornication has made all nations drink. And another, a third, angel followed them,, saying with a loud voice, If any one do homage to the beast and its image, and receive a mark upon his forehead or upon his hand, he also shall drink of the wine of the fury of God prepared unmixed in the cup of his wrath, and he shall be tormented in fire and brimstone before the holy angels and before the Lamb."] ...

Well, the whole earth prays constantly for a revival. Given the importance of such a request, God will grant. But the revival comes only by the Word of restoring. The Jews were expecting a messiah but according to their taste.

Now let's come back to the text, verse 6, where does this angel come from? From the depository of the Word. The Word of God comes from the heaven through an angel while the word of the devil comes from the abyss through the pastoral school. This angel comes from the temple, the model of the Church which is in the heaven and not in the book of Acts of the Apostles, in the Vatican or in the United States. God revealed it to Moses, Isaiah, Ezekiel and to all the prophets. Paul and the other apostles saw and have laid the foundation of it on the earth. 1 Cor.3:10-11 and Eph.2:20 attest it. Where is the foundation of all these churches, missions and ministries? Did not the apostle Paul confuse the Galatians Christians who wanted to lean on him to make pastoral school and theology? Gal.1:11-12. Today, the branhamists make all their efforts to remain in the context of William Branham, it is diabolical! The same lutheran demons. In one of their assemblies, over two thirds including the pastor have changed their names like muslims. Some say: "We believe in the seven thunders ....

" Others say:"If you say, "Brother Branham says, then "... Others again" We are expecting the 3<sup>rd</sup> Pull ...""We say what the message says... "You see?" When we abandon God, this is what we become.

Well, we know that all the prophets-messengers received their preaching from heaven and let's see now this message of verses 6 and 7. This is the very first message saying to the African for example to worship Him who made the sky: the stars, the sun, the moon and even the fallen angels who use horoscopes, mystical orders, religions. Christianity is not a religion but a life. It calls on the Haitian or the Beninese to quit voodoo, fetishism, customs and all other forms of worship and invocations ... the land that makes you live and you turn into sacred forests and groves, statues and masks to worship ... the sea and springs of water you must cease to worship.

Later, in verse 8, a second angel came out, not of a seminary or pastoral school but of heaven. To announce a theology? No! To announce the same preaching of forty or a hundred years ago? No! To go and reveal the Word to the teachers and trainers in pastoral schools? No! To give his vision about what someone said forty years ago? No, ... BUT THE TIME HAD COME TO PREACH THE GOSPEL OF ANOTHER RANGE! [Ed: *The congregation says, Amen!*]. To preach the condemnation of great Babylon, the catholic church because she had fought, killed the saints and corrupted any way of Salvation. This is made clear in Rev.17. It was in the centuries XV and XVI with the Reformation. And that led to Protestantism. After that, when Luther, Zwingli, Farel, Calvin, John Wesley and others died, the churches smothered the Church. So God aroused a third angel, a third messenger with a prophetic message for the inhabitants of the earth. God will never arouse a church or a group of men to bring or to restore the Truth on earth but a prophet-messenger. Rejecting this prophet is to reject God since, the prophet is the mouth, the spokesman of God, bearer of a message from God, an emissary from God and not someone who gives words of knowledge or who makes people fall down in vigils of prayers with wonders and revelations of all kinds, even if these revelations are always true ... Prophet, the Hebrew word for prophet is Nabia and this word means: "spokesman" not miracles-bearer or anointment-bearer but "spokesman. You see? The prophet messenger is the attribute and the manifestation of the Word of God for his generation. If a ministry of Ephesians 4:11 does not act, God's plan will be fulfilled. But God cannot do without nor replace the prophet-messenger. Let him refuse as Jonah, God will use him ... You see? And when a prophet-messenger is sent, it's because there is no more Truth on earth and his Message is the only one Truth of his time. He is the depository of the Truth and the legislator of the Word. You see? When Noah was preaching, no one could be saved unless by the Message of Noah. When Jeremiah was preaching no one could be saved unless by the Message of Jeremiah. When Elijah was preaching, no one could be saved unless by his Message. When the Lord Jesus was preaching, no one could be saved unless by his Message. He said: "No one comes to the Father unless by me". When Luther was preaching, no one could be saved unless by his Message. When Wesley was preaching, no one could be saved unless by his Message. When William Branham was preaching, no one could be saved unless by his Message. And if you are a child of God you will believe in them and so it is today. And even before they enter the scene, some biblical prophecies announced them, indicating that at such a time, God will do such a thing. You see? Jesus showed in Luke 4:14-21 that Isaiah 61:1-2 referred to him. John the Baptist showed in Matth.3:1-3 that Isaiah 40:3 referred to him. The Apostle Paul showed in Acts 13:47 that Isaiah 49:6 referred to him ... That is also the difference between true and false prophets. And every Jew knows that God does not lead his people but by a prophet. And we cannot be in the Will of God unless by a prophet. Apart from Jews, it's the Muslims who have understood this lesson. Muslims believe in prophets.

But the misfortune of the human is that he ignores that the fall in Eden made him lower than animals and he should trust the prophet according to 2 Chr.20: 20 ... "... And as they went out, Jehoshaphat stood there and said: Hear me, Judah, and ye inhabitants of Jerusalem! Believe in Jehovah your God, and you will be established; believe his prophets and ye shall prosper! ..." . You see? Be aware that neither a pastor nor the five ministries put together can perfect the church. There will be a prophet-messenger on the earth when the rapture takes place ... You see? Hosea 12:14 says: ... "And by a prophet

*Jehovah brought Israel out of Egypt, and by a prophet was he preserved".* You see? By the prophet Moses, Jehovah brought Israel out of Egypt, and by the prophet Joshua, was he preserved.

Well, what does the third angel say? not only does he condemns the catholic church but also all the other churches, missions and ministries, he condemns those who pose as servants of God and who are not, then in a second phase, he talks about the mark of the beast. So he knows what the mark of the beast is and he speaks about it. Don't let a church, a man, whoever he is, or any theology seduce you ... The Word of God is not therefore a social, moral, scientific or evangelical preaching of two thousand years ago but the prophetic revelation promised by God to this generation and by only one man, a prophet-messenger and the five ministries of Ephesians 4:11 echo It without ever contradicting It. [Ed: *The congregation says, Amen!*].

I think I have announced the counsel of God to you, about these demons of seduction that people call "holy spirit" in these catholic, methodist, baptist, foursquare, anglican, nazarene, adventist, mormon, pentecostal churches, ... And many churches are popping up everywhere. In spite of the differences of doctrines, Satan their god is in the process of bringing them together in councils and federations of churches ... and other alliances. And we know that the rapture and Heaven do not concern them. And to their number, we should now add the whole of branhamists. And like the Magi, I had to go out of Jerusalem, this confusion, in order to see the star again. And each church has several branches such as with the baptists: we have the free baptist church, the fundamental baptist church, the apostolic baptist church, the missionary baptist church, the meridional baptist church, the baptist church of full Gospel, Works and missions baptist church, life and faith baptist church, the candlestick baptist church, the evangelical baptist church, the baptist evangelical church, the pentecostal baptist church, the prophetic baptist church, emmaus baptist church, full fire baptist church, the international baptist church, baptist church of christ, the progressive baptist church, the reformed baptist church, the biblical baptist church, ... more than 70 branches and each of them has its doctrine, its president, its holy spirit, ... the Bible says that all this confusion will go to perdition. If God saves an assembly of gods or a baptist, what about the Pharisees, Balaam, Judas and Cain? Satan and his children say: *"If you're baptist, assembly of gods, revival or other and that you live well it's the essential thing ..."* They want to make us believe that in the flock of Jesus, there are neat dogs, neat goats, neat pigs ... but they are sheep. They say: *"If you are baptised in the name of the father, son and holy spirit or in the name of Jesus Christ, it is the same thing"* Yet, Gal.1: 8 says: Cursed be him who says that.

On April 1993, before my conversion, when I received the two visions, the first referring to the call to ministry and the second to the commission, in which I saw written in the sky what I'm preaching today, I was standing in the desert and I was told that it is a spiritual desert because people would not believe me. And it was after these two visions that I went to church for the first time. I did not even know that it was the baptist church ... I preach only what I saw in the sky that day at around 15 O'clock. People do not believe me, on the contrary, they are fighting against me. Scorpions and snakes in the desert are fighting against me but God gave me power over them and their venom. They call me a demon, antichrist, troublemaker, messenger of Satan, nivaquine preaching... It was so with the prophets of the Old Testament, Jesus Himself, the Apostles ... and as long as God sends men on earth, it will be so in order that the Scriptures may not be confused. There is neither confusion nor contradiction in God. The priests and pharisees, sadducees unite against Jesus. Luke 23:12 says: *"And Pilate and Herod became friends with one another the same day, for they had been at enmity before between themselves"*. Brethen, I tell you in the name of the Lord, when you will see those people having different doctrines unite against you, rejoice! Oh! You, modern pharisees, it is true that I am a threat to your interests and ideologies of churches, but fear God!

Know that we are living the moments of Lot and Noah where churches had false prophets and anointed men of all kinds, were going over the earth with miracles of all kinds. Some sons of perdition were established over churches and organisations such as catholics, protestants, evangelicals and unions and federations of churches ... Any way of Salvation was corrupt. And with Noah, we see that the eternal Life consists in recognizing Jehovah, the only true God and him whom He finds good to send. And they called the warning: Judgment. What the catholic church did in the past, it is what the protestants and the evangelicals, this new satanic caricature, are doing. How can people believe that these spirits that act in these catholic, protestant and evangelical churches, and others are the Holy Spirit? How can we have the Bible in hand and ignore that the miracles of those soothsayers and fetish priests dressed in jackets are not but the work of seduction? And this multitude of prophets that we have today work miracles and everyone jubilates. The red carpet unfolds before them. While the same people curse me; yet, their sermons are nothing other than what they have learnt from a book by Osborn, so-called christian bookstores or from training seminars, bible school or that somebody they do not know put on the Internet! You see? And Satan has made all the prophets of the Bible and he even made graftings: Abraham-Elijah, Paul-Elijah, John-Elijah, Elijah-Elisha, Ezekiel-Elijah, Daniel-Elijah, Samuel-Elijah, Elijah-Agabus, Moses-Elijah, and so on ... In reality, they are Elimases if not Janneses and Jambreses and their miracles are intending to harden the heart of the faithful, pharaohs of churches and not to let the Jews go out of Egypt. And in any country, you will find those names of prophet. Whatever the place, the earth is in the fifth dimension. They do not see the mote which is in the eye of their churches, but the straw that is in politics. Empty and arrogant people, drunk with theology, and addicted to all sorts of sensations, of emotions, of magic and of seduction ... they are applauded by all the churches. And we see that the churches are uniting into alliances of all kinds far from the Word, and in spite of the differences of doctrines, knowing that a pastor of assemblies of gods cannot be a pastor in a pentecostal, baptist or adventist church and ... that one cannot go and have the Holy Communion with the other. What basis are they uniting on? On the abyss and for perdition and that on the initiative of their gods and their holy spirits. Oh! In vain you pray and you fast ... God will destroy you all! I do not want to discourage you but you will all go to perdition. You have corrupted the Truth, God will render you the salary.

I have been commissioned to judge and I saw these words of judgment written in the sky on this unbelieving generation that prefers theology to the Word of God, the seduction to the Truth, Barabbas to Jesus Christ, death to life ... We live in the

last moments of the rapture, the trumpets of Satan sound for gathering his children and his churches according to Matth.13:24-30 while the Cry of command of God gathers the Elect together.

Brethen, how can people with different doctrines unite? See in the newspaper "*Fraternité Matin*" of Thursday, August 22, 2002 on page 3. The presidents of different churches posing together before photographers. The head of the dragon's image. Brethen, have you ever seen a flock in which there are goats, oxen, dogs, pigs, and chickens ... it is the image of these unions, councils and federations of churches. And who can be the shepherd? Satan of course! The oxen mooing ouuuuhh! Dogs barking woouuh! Woouuh! The pigs grunting grrrrhh! grrrh! And the goats, chickens, you see...? One head speaking a baptist language, another head speaking a pentecostal language, another head speaking a methodist language, and so on ... you see? One has such a doctrine, one has such a doctrine, ...you see? What does Matth.13:24-30 say? "*And he said:*" ... *Suffer both to grow together unto the harvest, and in time of the harvest I will say to the harvestmen, Gather first the darnel, and bind it into bundles to burn it, but the wheat bring together into my granary*". A bundle is a sheaf of different kinds. A baptist church is a sheaf but when baptists, methodists and others are put together, it's a bundle. Any union or federation of churches is a bundle. And the Bible says there will be several bundles and that they are to be burnt.

When you see the sons of Satan meet their families again, fraternizing or joining together, you must know that God also brings His Elect together. Amen! God said they would be bound together to be burnt according to Matth.13:24 to 30. You notice that here "granary" is singular but sheaves or bundles are plural. You see? The free baptist church, a sheaf. The fundamental baptist church, a sheaf. The apostolic baptist church, a sheaf. Missionary baptist church, a sheaf. The meridional baptist church, a sheaf. The full gospel baptist church, a sheaf. The work and missions baptist church, a sheaf ... But the World Council of churches of Kenya, a bundle. The National Council of evangelical churches of Martinique, a bundle. The confederation of churches of Spain, a bundle. The Federation of evangelical churches of Germany, a bundle. The union of charismatic churches, a bundle. The association of the servants of gods of France, a bundle. You see?

God sent the Holy Spirit upon Matthew, Mark, Luke and John, and they wrote the four Gospels, each one on his side but they did not contradict each other. Mark can say something that John does not say but they will never contradict one another. Satan cannot do that with his churches and the holy spirits that act in his churches. From Moses to Paul, it passed 1,600 years and God aroused more than 40 people to write the 66 books of the Bible and do you see the harmony? God does not contradict Himself! All these churches, their presidents, reverends, pastors and prophets ... and their gods, their holy spirits and their jesus will go to hell! I saw it written in the sky in April 1993 and I was told to pronounce that. It was written on the plaster of the sky: Pronounce the judgment! You see?

This Message is a warning to the sons of God so as they repent, but the sons of the devil will see It as a judgment and it's right because It comes for their condemnation. Whoever therefore encouraged his fellow to persevere in these churches will be destroyed like an impious man, whoever preaches a theology of church and not the prophetic revelation of his time will be destroyed as him who sells rubbish instead of gold. He that hath ears to hear let him hear!

A brigand who stole the wealth of his master went into a far-off country. He changed his identity and established himself as a good man. He got married, lived in a luxurious house, wove a lot of relations and was helpful. On indication, his master sent a first spy who did not know the brigand's face. But very expert in espionage. He went, found him but could not know that he was the brigand. He spent several days with him and returned with a present. Then the master sent a second spy who knew him by face and the name that he bore in his country of origin. The spy found him but the brigand bribed him and, gave him more than the salary of espionage and engaged him in his acts of darkness. The spy did not return, the master sent another spy who knew the brigand's face and his original name. When this spy saw the brigand and his wealth and all those he conquered, he cried and alerted the country but nobody believed him because of the appearance and the new identity of the brigand. And the inhabitants talked of throwing the spy in prison. He that hath ears to hear let him hear.
