

PREACHING No.6: MATTHEW 25: 6 (2)

(Preached on Sunday December 22, 2002 morning in Locodjro, Abidjan - Ivory Coast / www.matth25v6.org)

We know according to Matth.24:27 that the Gospel came out of Asia, the East with Paul and the other Apostles. The color of the rising sun is yellow and the inhabitants of Asia, like the Chinese, are of yellow complexion. Then the sun, the Gospel came to Europe where the sun becomes white. There were great men of God as St. Martin de Tours, Irenaeus, Columba. And there, we know that those who live in Europe are of white complexion. Then the sun declined towards the West with John Wesley in England until it arrives in the West that is to say in America. In the evening, at the sunset, the sun becomes red yet the first inhabitants of America are of red complexion. And there was William Branham with the Evening Light. William Branham showed that he had the Indian blood through his grandmother. And Ewald Frank, a white man speaks of the midnight Cry. Yet, we know that after the evening times it's the night, black Africa before moving back again to the East with the two witnesses of Rev.11. Even on the fleshly level, we see the blacks on all global elites. And even for the first time we see a black man at the head of the UN. And those recent decades, we have seen black Americans interested in Africa and even research their precise origins. By visiting Africa, God will remember the children of Toussaint Louverture, Wilberforce, Martin Luther King and others.

When Frederik de Klerk, a white man and Nelson Mandela who is a black man, shook hands before the international community in 1993 when both were at the same time the Nobel prize of Peace, that was the end of apartheid and of a time. It was a small sign that hid an important spiritual side.

But according to Matth.25:6, at midnight a cry will sound, a short preaching that will stir up and awake the virgins of the seven watches. And this awakening will lead the bride to the Rapture. Jesus Christ will visit Africa. The moon and stars will shine. Isaiah 30 will be fulfilled. And many prophets agree that an awakening will go from Ivory Coast. But for the humble of heart and mind, for those who are awaiting the rapture of the saints, this is no longer a prophecy but a reality. Yet when God is at work every event participates for the better. Why this crisis, this movement towards Abidjan? What is this attraction? Note that in Luke 2:1-7, the emperor Caesar Augustus demanded that everyone went to his hometown for a census. Why? He didn't know it but it was in order that Jesus might be born in Bethlehem and the prophecies might not be confused. We have heard, we came to see and we have seen from the Scriptures that this preacher is the one who has been promised in Matth.25: 6 and that we should follow...

... The midnight Cry has a huge biblical foundation but to the point where we have got, to the elect of God, this comes in addition to what he already knows. While the children of the devil are pulling the wires with their train of reasoning, the elect take control of things. I want to say this, like the other races, God remembered the great-grand-son of Simon of Cyrene. Those who have never colonized nor ruled receive the grace of Him who doesn't make acception of anyone and the world must recognize that!

Let's take now the Bible in ... I'm going to give you some verses that you will read quietly at home, we do not have enough time this morning. Take Ezekiel chapter 29 to chapter 32 then Isaiah chapter 18 to chapter 20 then Jeremiah 46. Again Ezekiel 21:1-5 then Hosea chapter 7 to chapter 12...

All these prophecies refer to Africa, which is symbolized by Egypt, Ethiopia and Libya. Let's read Isaiah 19:23-25 ... The Lord will bless him saying: *"Blessed be Egypt my people ... and Israel mine inheritance!"* Yet we know that Egypt of which the Bible speaks is not the Islamic country that we know but the whole Africa. See v.2! "I will incite the Egyptians against the Egyptians; and they shall fight ... city against city, kingdom against kingdom! You see? We see the slavery, the slave trade in Isaiah 20:4 *"young and old, naked and barefoot, and with buttocks uncovered, [to] the shame of Africa ..."*. Even before the century XV, there was a deportation of Africans towards Iraq (Babylonia including Assyria) precisely to Basra in the century IX. Know that when God spoke in those days, there weren't either Burkina nor Zimbabwe nor Kenya nor South Africa ... Then there was an exodus and we know how Kwame Nkrumah * showed that the Ashanti come from Egypt then President Bédié also showed that the Akan came from Egypt through Ghana of the Ashanti. And we can see among the Akan the tribe of Houphouët, some royalties according to the Egyptian pattern with the throne, the golden adornments, a royal yard, a royal crown, a royal scepter, ... a pyramid with four levels for the king of Indénié and a pyramid with two levels for nana Yeboua, king of the Abron. The Akan are a pure offspring of Egypt and within the Akan are tribes such as the Abidji, very small minority that does not have but just twelve villages as the twelve tribes of Israel. The Abidji ethnic group resembles the Ashanti even beyond mere names. And one of these twelve villages shelters the famous theological institute of assemblies of gods and this small village Katadji is mine and has seven generations of seven years. The dipri of Abidji is described in 1 Kings 18:28-29. And I was born at the time when angels sang in Katadji by a morning and that is known there. And my birth certificate says six o'clock in the morning. Some branhamists say that it is in Sikensi that it took place but the witnesses from Katadji give some descriptions of the song that started from our place to the down side of the village and that came back towards there but the surrounding villages such as Elibou and Sikensi, three kilometers away from Katadji haven't heard but a heavenly song. And I do not think it is linked to the coming of the Message of the evening time in Ivory Coast as some say. Unless this occurred in other countries when the Message of the evening time arrived there. I also do not believe the version of the assemblies of gods who argue that it is due to the presence of their theological institute in Katadji because this institute existed there for several years before this mysterious event. Now, notice that the day of my birth, my parents were in Elibou, which is an hour walk from there. And that's where I saw the light at around six O'clock. Immediately, we returned to Katadji. What does Elibou mean? Village of Elijah. Call any Abidji if he says something else to you then I am a false prophet. You see? Village of Elijah! A man upon whom the Spirit of Elijah will rest will be born there in the same region of Sikensi.

Well, let's read Ezekiel 29:12 and 30:26 ... I will scatter the Egyptians among the nations ... on the face of the earth. Oh! Notice Matthew 27:25 "... His blood be on us and on our children" and in 70, the Roman army led by General Titus massacred Jews in Jerusalem it was the fulfillment of: "... On us" then 1900 years later, the Jews were massacred around the world particularly by Adolf Hitler in Germany by Joseph Staline in the USSR, by Benito Mussolini in Italy, Poland, ... the ten horns of Revelation 17:13 having the same purpose as the catholic church. Just as the catholic church killed these millions of protestants, these ten nations have risen to kill the Jews likewise! It was the fulfillment of "... On our children" And we see that these children were not in Israel. Wherever they went, that word followed them it's the same today! In the beginning, God dealt with the people who suffered most on earth, in the end, God deals with the race that has suffered most on earth ... That's why I think a man cannot be the torchbearer of another country even if he lives there.

God could not make use of an Egyptian to make Israel go out of Egypt nor a black to visit the white. This is how God works. The Blacks are not unworthy of it. And God never allowed William Branham to go towards black Africa and the Jews. Why? Because everyone has his promise and his time of visitation. William Branham was en route to Israel but when he arrived in Egypt God stopped him. And Jesus Christ himself in his ministry did not allow his disciples to go towards the Samaritans and the nations.

These preachings are not but the Cry of Matth.25:6. And it is the basis of the preaching of awakening. Some call me the antichrist, messenger of Satan, nivaquine preaching, some others curse me and prophesy evil on my life but I am happy of that because people are coming and believing without any effort from us. What does the Bible say? "...and believed, as many as were ordained to eternal life." Acts 13:48. Amen! In a short while preachers will go from here with the same spirit and even preach what I have not preached yet. God will begin to arouse people with the language more violent and barbaric than me. It was the case of Mutzer and Calvin who found the preachings of Luther "*too effeminate*". The midnight Cry will have echoes. The echo loses some characteristics but the substance and the purpose remain.

Well, Matth.25:6, we are living in another period of the history of salvation. The hour is not to the raising of large and majestic religious edifices with marbles, carpets, fans, with great sound equipment. It is no longer the moment when the man of God dreams of villas, vehicles, ... but any effort, any financial contribution goes directly in the sense of the expansion of this Truth because of the awakening. And no one can serve God unless he is the echo of what God is doing here. That's why, I am against the baptist, foursquare evangelists, and others ... I warn you! Do not constitute another front against us! If the eagles cry, let the crows keep silent. If you evangelise a muslim or a catholic to send him to the baptist or pentecostal church, what have you done? You have only changed cell to a prisoner. It's the same enclosure of Satan. You are a voice of discord against what God is doing!

Matt.25:6-7, ... the time for itinerant preachers has come back and it's the bridge with the apostolic faith. Some preachers will go everywhere over the countrysides, the cities and the countries to reveal to any flesh that the spirits that act in these catholic, methodist, evangelical, pentecostal, baptist, foursquare churches, in those churches and ministries of fire, ... are not God's Spirit but the spirit of the devil, that those prophets are not but cunning soothsayers identical to fetish priests Gbahié, Zérédji and others; to reveal the true face of the councils and federations of churches which are political tools, baskets of beggars and of subsidies. God is not a beggar! And when a mystic who has not washed his hands yet interferes in holy things it's a danger and it's also the case of Soumah Yadi, rosicrucian and politician just converted to a church who sets himself up as an angel of God while he is still president of a political party. You see?

[...] Some countries pretending themselves secular without any theocratic print ... and I do not understand this excitement of both sides, the diviner prophets in first rank. Beggars going openly up to make an image of the purgatory for churches and the ministries. To get recognition and favors, the churches and their members must enter these unions of churches and that, with 50,000 F for churches and 10,000 F for the men of god without counting the curvets before politicians, political parties, town halls and other institutions. In a letter of 05/11/2002, N°AN/CNEPE-CI/201/02, the national council of churches [Cnepe-ci] ask for a subsidy of more than one million to the small town hall of Attécoubé just to pray for their own country in war ... their own country! Among themselves, they compete with private schools, supermarkets, shares in the banks and companies, public transport coaches, taxis, business churches ... And on Sundays, they all become angels. The churches are rotten! Their leaders dream of cars, villas, fatten, wear expensive shoes and jackets while in the same churches, there are poor people. You see? The wolf and the shepherd do not look at the lambs in the same way. Yes, the wolf and the shepherd do not look at the lambs in the same way. How can God let the door of the sheepfold to wolves? And if they are true shepherds, how can they leave the door of the sheepfold to find themselves in a royal palace. These Luis Palau, Frank Alexander, Jim Lassiter, Hamsa Eichler, René Samuel Sirat, Nichiko Niwano, Konrad Raiser, Elio Toaff, ... are nothing other than demons cast out in human flesh. It's no longer by the Holy Spirit, but it's by a membership card of the council of churches that a man of God is recognized. And this gang of thugs walks freely with his followers. Unless you show me the contrary, this organisation is a satanic caricature and the abyss does not cease crying out against you: "*Condemnation*" "*Condemnation*". You, your clergies and your members, you will go to hell. You have corrupted the earth, God will destroy you! And I already remain a rod of iron and a bow stretched against you. O God! Arouse some preachers having the intemperate language as basis with souls of steel having stormy preachings who cannot be worried by anything and in whom burns the Spirit, the fire and the words of eternal Life. It is written: "*Pay therefore what is Caesar's to Caesar*", and yet Caesar himself came to sit in the churches as God, in sheep's coat, making use of Christ instead of serving Him. They no longer seek to cut the heads but they cut the throat of souls and rob in the name of God. They sit on thrones proclaiming themselves head of the clergy that is to say, president of the catholic, baptist, methodist, assembly of gods, inner life, Jehovah's witnesses clergy, ... Head of the clergy = DUX CLARIV'S which gives in Roman numerals 666 that is the number of the title, the blasphemous name of the antichrist. DUX CLARIV'S (*Head of the clergy*), that means in a down-to-earth way among pagans: chairman of the board of directors. That is to say the chief of those who have the administration or who lead an organisation or a company. However, 1 John 2:18 said: "*Little children, it is [the] last hour,*

and, according as ye have heard that antichrist comes, even now there have come many antichrists." You've heard saying that there will be a pope, but now, every church has its pope, its chairman ... There are several popes of churches... antichrists. The clergy is the whole of the priests or pastors of a church. They are all emperors, kings, chiliarches, ... how small the churches over which they are established may be. In Roman numerals, we have: D = 500, X = 10, C = 100, L = 50, I = 1 V = 5. Thus, DUX CLARIV'S gives 666. However, the pope remains the VICARIV'S FILII DEI which also gives 666 and which means: *Representative of the Son of God or who is in the Son of God's stead*. And, according to Rev.13 and 17 we clearly see that the protestant, evangelical churches, missions and ministries are the daughters so the image of the Roman catholic church and therefore their president are not but the image of the pope who is in Rome. I say it without ignoring the branhamists, the mixed race person in the military cargo.

You see? What are these ministries that they call parish priest, reverend, president, cardinal, pope? And in the religious meaning, the word *reverend*. means: *who is venerated or worshipped*. The catholics say that they venerate Mary and you do see that it means: *worship*. Among the pagans, that means: the honorable or the respected this. What the sculptor makes with wood, it's what Satan have made with you, graving images, gods, and empowering them to speak in his name as André Kouadio. And the Ivorian reverend Dion Robert, this stocky, is not more than a Yacouba mask. He is a passionate of the tribes of Dan and Ephraim whose names were deleted from the list of the twelve tribes in Rev.7 because of their zeal for idolatry, since Jeroboam in 1 Kings 12:28-30. See also: Hosea 4:17 ...

The demons haven't lost anything of what they had before the Gospel reach Africa. They simply left the rivers, groves and sacred forests, the creeks, the high places, mountains, customs, ... to be found in the churches. And the pigs and impure, hateful and execrable birds those whose names were not written in the book of Life of the Lamb before the founding of the world will worship them according to Rev.13:8. In Isaiah14:13-14, these presidents of churches, these fallen angels had wanted to rise upon the throne of God to be worshipped as God. " *And thou that didst say in thy heart, I will ascend into the heavens, I will exalt my throne above the stars of God, and I will sit upon the mount of assembly, in the recesses of the north; I will ascend above the heights of the clouds, I will be like the Most High.* " Then there was fighting and they were cast out on the earth according to Rev.12:7-9. Then at the end of times, having taken human forms, they came to establish over churches as gods, instead of repenting. And we see again that they will be cast out into the abyss: them, their churches and their prophets.

I was pagan and I received a call then a commission. I do not preach then what I think to be true or an imagination but I speak on behalf of Jesus Christ. I have not been to any pastoral school and I haven't read any book of theology. It's different from someone who feels zeal or who sees a spiritual death in the church and who begins to do something. There, it's an error and even a sin because that does not mean that you have a ministry or that it's you who must do it! It's not because a supporter sees that his team is playing badly that he'll throw himself on the pitch. No! No matter all the things you are going to do, the miracles, the souls, you're disqualified. Even if you score goals, it is nil. You are even a danger for your team. God cannot recognize the work and the effort of him that He did not send. And if someone follows such a man, it's for his loss. When I am condemning all the churches including the branhamists it's the Word of prophet, it's the "Thus saith the Lord" and I do not doubt it. You see? And I want to go further to say that ... The Bible says "... *And Jehovah looked upon Abel, and on his offering; and upon Cain, and on his offering, he did not look...* ". You see? There is, on the one hand, the person and on the other hand, the offering of that person. As for Abel, God accepted him in his mind before the founding of the world and that's why He accepted him and He was obliged to accept the offering that He took pains to reveal to him. [Ed: *The congregation says "Amen!"*]... It is not question of doing seventy days of fasting, of working for God as an elephant, but everything depends on God's sovereignty. Before the founding of the world Abel had been approved then in the garden of Eden, him and his offering ... [Ed: not recorded].

In the century XVI, when Martin Luther was battling against catholicism, his friend Erasmus abandoned him, judging the preaching of Luther "*too insulting and provocative*" but Luther persevered because he saw the work of God more precious than his blood. Instead of consulting the Bible or bending the knees, people prefer to turn toward pastors and others. For my part, taking the heaven and the earth as witnesses before God and His holy angels and before men, I put the Way, the Truth and the Life in your hands. Make of it what you want!
