

PREACHING No.8: THE ECUMENICAL MEETING

(Reported in January 2003 in Locodjro, Abidjan - Ivory Coast / www.matth25v6.org)

The prophets have spoken of it, that happened on Thursday January 09, 2003. A historical sign was given. The Bible and the Koran met. Catholics, protestants, evangelicals, muslims, buddhists, mahikaris, rosicrucians, traditional religions, eckankar, the Baha'i faith, politicians, mystical orders ... gathered at the palace of sports of Treichville to pray. To pray whom? I do not know! It is beyond my understanding. It is beyond the CNEPE-CI and the world council of churches. It's what a man could not imagine. And, after the example of all those who preceded me in the old days, I was there! I thought of finding prophets there, there were not. Where are the men of truth at this historic meeting? I had seen thunders and flashes of anger against the palace of sports. Then I saw an eclipse.

The following day, I saw on an evangelical newspaper, this blasphemous headline: *"The Bible unites with the Koran"*, cardinal Bernard Agré, imam Idriss Koudouss, rev. Ediemou Jacob who is the most perverse of the fetish priests of Ivory Coast, rev. Benjamin Boni, president of the united-methodist church ... hand in hand. Have I not always said that Satan was the god of these churches, and the bat, their spiritual emblem? Did not God put bats in the heart of Plateau which is in the heart of Abidjan, the heart of Ivory Coast? Very early then on January 09, I was there with police officers and gendarmes and already, the Bible raised against the palace, I incessantly cried through the megaphone: *"It's this morning that the enemies of God are going to gather in this place! It's this morning that the enemies of God and the country are going to gather in this place!"* People asked me to say: *"the friends and the enemies of God ..."* but when they saw they could not influence me, they prompted the police officers and gendarmes saying: *"His sentence bothers us, we cannot pray with it in the back! Arrest him!"* I did not yield. Around 09 o'clock, a police official got out of the palace to come and arrest me on instigation but I did not yield. We have had some exchanges of words and he understood. Then two other policemen came but I did not see myself yielding before ten o'clock. It was so until 10 hours 30. And there, a man in costume introducing himself to me as being the national secretary of the CNEPE-CI came from the palace with another in a black cassock. He had heard of Kacou Philip but he did not know it was me. He said: "Since the morning you are only repeating that sentence. The President of the republic and the authorities will be here and it will not make a good image." Then he asked the policemen to arrest me. Their chief said to his elements: *"If he repeats, arrest him "*. I said *"If I want to continue, I'll do it because the Bible cannot submit itself to a combat uniform! Is it you who commissioned me to be here?"* He said: *"You are in our area!"* I said: *"I am a Christian, that is why I am here!"* I was surrounded by policemen ready to arrest me but I spoke so severely that he rectified *"Do not arrest him but take the megaphone!"*

And that morning, all the religious denominations were there, in the same place: some muslims in bubu, some catholics, some ekankars ... and they were all looking at me as if they had not come to pray. They were looking at me as if I was their devil while they came to pray...

The speech of the secretary of the CNEPE-CI has been as a transmission of demons to the policemen because they were excited. There were soldiers, gendarmes and policemen and there was a branhamist, the father of a brother here, among the soldiers... But I had seen the list of all the churches on the palace gate. If you are a member of a church, itself a member of the CNEPE-CI then you are guilty before God even if you were not at the palace. The church had received reinforcements in demons on that January 09 and it is because of the awakening of the saints which is already in place by this ministry of Matth.25:6. And there is already this strength in some of us, this unction that will trigger the awakening. And I told you by the Word of the Lord that the awakening will be countered by the CNEPE-CI, this satanic caricature which is nothing other than a brotherhood of sorcerers in sheep's coat. If you notice, the official of the CNEPE-CI and the man in black cassock got out of the palace, of the tomb with a deluge of demons that he transmitted to the policemen. See Matth.8:28-34, when Jesus healed this madman in Gadara, the same demons entered into the pigs then the waters ... then the shepherds ... then the villagers who chased Jesus away.

Since ancient times, all those that God aroused have acted so even without means because the work of God is not subjected to money and, staying in temples to judge and condemn is not the work of God but another form of seduction. It's not what the prophets, Apostles and Jesus himself by their ministries taught us. The Truth challenges and imposes itself in the field, not in the churches or in the vigils of prayers. If you have no means, walk! I preached everywhere until today without receiving money from anyone except a man who brought me a few rice at home. But, I have not seen an evangelist or prophet who has not received cheques, villas, vehicles and other. Don't covet what you do not have. By this Gospel, I have chosen the narrow way with you then stand firm! If the heaven is hidden from them, it's not their possession that will find the way. If it has not been given to you from heaven before the founding of the world, you cannot give this glass of water of Matth.25:32-35 to an elected one. What has been done to the green tree shall be done to the dry. The servant is not greater than the master. You see? On that January 09, having shouted from seven to ten, I desired the rest of water that they threw away but if someone ventured to give me some the crowd would lay into him. You see? They were looking at me as if they had not come to pray. Looks of Cain! There were muslims in bubu, methodists, catholics, baptists whose faces I recognized. My brother-in-law, husband of my female cousin, who is a methodist preacher, was there ... You see? Some goats, pigs, chickens, dogs together.

Preach! Don't fear those who call themselves prophets. They are the same spirits of magic who have established themselves in the churches. The Bible predicted it in Matth.24:24. Which prophet? Which prophet? Of all the ministries, the past of the prophet is taken into account from his birth. Even a pastor! Someone who has got a child before or out of wedlock cannot be a pastor. He can do the work of a pastor but he cannot be a pastor. Evangelist all right but not a pastor or prophet. It's the same if his wife is not in subjection or if she has a child out of wedlock. See Jer.1:5, Judges 13:3-4, Luke 1:13-15, ... You cannot have been a thug, known women, consumed hard drinks or smoke and then become pastor or prophet of God, no

matter the visions you have. He can do the work of a pastor for a time but he is not a pastor. That's it. And a prophet or a pastor, that requires a testimony ... You are obliged to fulfill some obligations if not, keep quiet!

And I do not also neglect the fact that the law and prophets say that he will have a wife who has not been touched [Lev.21:13-14 / Ezekiel 44:22]. My wife was twenty years old in the year 2000 when I married her and I didn't know that she was a virgin. And that in a time when it is difficult to find virginity at fifteen years old. And if a man had known a virgin before having at least endowed her, it is not considered that he married a virgin.

What God has not given to you from the Heaven, don't covet it. Remember that in the Heaven all the angels that had wanted a great ministry as that of Gabriel were cast out on earth. If God sent you for a piece of work on earth, He will keep you in the midst of this decay. The ministry is not a matter of preaching true or yelling and jumping before people...

Yet, God smote, with blindness, a village which was very rebellious to Him. But in His compassion, He sent a man to them in order to heal them. But they said: *"We no longer want to see because, since our blindness, we have everything gratuitously and the whole world takes an interest in us. Apologize therefore before God for us and what proves that it's God who has sent you?"*. One day, the neighbouring village took counsel and said: *"We farm, we are suffering and the land does not give anything to us. We are dying while the blind village has everything in abundance. Let's go, kill them and take their land and everything that has been given to them."* They took cudgels at a broad noon, went in the middle of the blind village and began to shout: *"Come to us! We came with sacks of rice, oil, clothing ... we are the council and the federation of churches, we are your brethren in Christ"*. They came out but having seen them the prophet fled with his family. And their neighbours in ambush went out and began to knock them down ... Some shouted: "Have mercy, oh mercy!" and they were running with their hands stretched out ahead like this! Others shouted: *"But what's happening? Stop them!" Stop them!* ". Brethren, it was sad. The village was destroyed. Then in their agony, they all shouted: *"We want to see, we want that prophet, we want to see again ..."*. Those who did not get out were also killed, marked.

As it was in the days of Noah, so it will be for this unbelieving generation and its churches. He that hath ears to hear let him hear.
